### Bernstein Equity Trading

At Sanford C. Bernstein, leading institutions have been relying on our research insight for over 37 years. We have been aggressively expanding our trading platform to meet the increasing needs of these same clients. We do so without any conflict of interest. At Bernstein Trading, we work hard to make sure it is our Research that moves markets, not our trading.

#### INDEPENDENT RESEARCH

- Non-Biased, Industry Leading
- No Investment Banking Conflicts

#### EXECUTION EXCELLENCE

- Sector Product Specialists and Sector Traders
- Top rated Nasdaq Broker in Plexus Survey\*
- A Comprehensive Set of Tools for Algorithmic Trading

#### ALL NATURAL

- Non-Proprietary/Agency Model
- Natural Order Flow: Handled with Diligence and Discretion
- Our Clients Interest is Our Sole Interest

### Product Specialists

The Product Specialist group are a sector-specific team that works to help Bernstein's salespeople, traders and our clients with short-term color and ideas based on what they're seeing in the market and what the analysts here are talking about. Throughout the day they are continuously in contact with Bernstein's research analysts & traders and with buyside clients.
